Monday Morning

On Monday morning, you receive the bill from MegaWatt Mansion.

Total Kilowatt/hours: _____

Total cost of electricity: _____

Total bill for your stay: _____

Questions

1. Did you think your stay was going to be more than \$150/night? Why or why not?

2. If MegaWatt Mansion had charged you \$0.10 for each Kilowatt/hour, what would be the new cost for your stay? (Multiply your total Kilowatt/hours by \$0.01) _____
3. If you did this activity again, how could you make your stay less expensive?
